

Springville

Area Chamber of Commerce

March 2014

Welcome Letter

Teresa Downing, President
Springville Area Chamber of Commerce

It is an honor to serve as the new President of the Springville Area Chamber of Commerce. I am hopeful about the future of Springville and the vitality of the businesses which serve our community. As a small business owner, I see great opportunity for economic growth and development in the coming year. With your active involvement in, and support of, Chamber initiatives, we can make a tremendous difference in our local economy and the future of Springville.

Springville has many great attributes that makes it an appealing place to live, work, and grow a business. We have a diverse and hard working population, active business districts, proactive and responsive public safety officials, and an expanding and impressive park system. We hope to increase our community visibility and create a more vibrant image by integrating these qualities into a formidable Springville brand.

The Chamber is committed to expanding its membership base to include individuals, new businesses, and existing businesses whose experience and long term success can be an inspiration and model to other members. We will work hard to provide business networking opportunities and advocacy with local and state government officials in the coming year. We will update our website, improve our online business directory and keep members aware of Chamber activities so that we can help local business to do business.

If you are not yet a member, please consider joining the Springville Area Chamber. The year ahead is filled with potential. Let us shape our future together. On behalf of the officers, directors and membership of the Springville Area Chamber of Commerce, I wish you a safe, healthy, and prosperous 2014!

Please deliver your eggs to O'Town Boutique or Danes on the Corner no later than Friday, April 4, 2014.

Backpack Buddies Donations

Chamber member Mercy Lozinski (Main Street Realty) is collecting donations on behalf of The Summit Church of Birmingham for their Backpack Buddies program through the end of the school year. The program's aim is to provide children in need with nutritious and easy-to-prepare food they can take home from school over weekends when other resources aren't always available. Donations can be dropped off at Main Street Realty or The Summit Church. For more information, please call Mercy at (205) 467-7325.
