

**CITY OF SPRINGVILLE
CITY COUNCIL
WORK SESSION
May 6, 2013 5:30 PM**

After proper notice and advertisement, the City Council of the City of Springville (the "Council") held a work session at 5:30 PM on May 6, 2013. The purpose of the work session was to discuss a proposed ordinance to regulate and control the manner in which dangerous animals are maintained within the city.

ROLL CALL:

Present: Mayor William Isley, Herbert Toles, Hugh Marlin, Katrina Hennings, Chip Martin,
Wayne Tucker, David Jones, Larry Jones

Absent:

James Hill and Earl Peoples answered questions from the council regarding the proposed ordinance and the existing ordinance regarding animals running at large. Issues considered were a grandfathering clause which the proposed ordinance does not contain, resources required to enforce the ordinance, the existence but not the substance of similar ordinances in neighboring cities, and the availability of insurance to meet the requirements. The Council intended to research this issue after the meeting and discuss it at the next. After discussion, Mayor William Isley scheduled a second work session on May 22 at 9:30 a.m. to allow the council members time to further research certain provisions of the proposed ordinance.

The work session adjourned at 6:10 p.m.

Attest:

City Clerk
