**Preservation Society Agreements**

Mayor William Isley introduced proposed agreements between the City and the Preservation Society concerning the relocation of the house owned by the Preservation Society and a lease for the

City Property where the house is to be relocated. After discussion including confirmation by the Director of Public Works of the benefit to the City and his department of the house being moved from its present location by the City's well along with discussion as to the fact that the lease, although not via monetary channels, did provide adequate consideration for the leasing of the City owned property where the house was to be located, Wayne Tucker made a motion to enter into the agreement to relocate the house at a cost of \$5,500.00 and the agreement to lease the property where the house will be relocated. Herbert Toles seconded the motion. All voted aye.

**Adrian Walker – Grass Complaint**

Adrian Walker was not present. Earl Peoples stated that he had heard Mr. Walker's complaint and that the situation had been resolved.

**Security Cameras for Big Springs Park**

Brian Skinner reported that he had spoken with Windstream and with Mark Martin about placing the security cameras at Big Springs Park on the city's website. The cost of adding one or two cameras to the website will be approximately \$10-\$20 per month and will require a modem upgrade. After discussion, the council authorized the addition of the cameras to the website.

**Lighting at Highway 11 and Highway 23**

Herbert Toles asked Earl Peoples to report on progress on having the lights installed at the intersection of Highway 11 and Highway 23. Earl reported that Alabama Power is delaying the installation due to the storm damage, but that he is working on getting the lighting installed as soon as possible.

With no further business to come before the council, Katrina Hennings made a motion to adjourn. John Coyne seconded the motion. All voted aye.
